16th September
Auckland networking dinner
NZEALS presents
The Maungakiekie Cluster**

You are invited to the NZEALS Auckland Branch, September Networking Dinner in the Western suburbs. This dinner meeting will be held at Rocklands Conference Centre, University of Auckland's Epsom Campus. We have on offer a light supper with wine and juice followed by a presentation from our guest panel.

The Maungakiekie Principal's Cluster

This cluster of principals has for the past 2 years been engaged in an in-depth research project where they have explored the leadership dimension of engaging in problem talk. Come and hear about their journey, their growth and what their findings could mean for you and your organization. Please note this research project was made possible through generous funding by APPA.
